Integrating E-books and Videos into the Laulima Lessons Tool

Summer 2022

Tuesday, July 19
12:00 pm–2:00 pm
Hamilton Library Room 306 & Online

This hands-on workshop will introduce some of the primary online video and e-book resources available through Hamilton Library.

Topics will include:
• Finding and working with video resources—including Films on Demand, Swank, and Ethnographic Video Online
• Finding and working with e-books (and articles)
• Sharing and embedding resources through Laulima’s Lessons tool
• Pedagogical considerations and resources for Laulima

There will also be time at the end to work on developing courses.
