

# Walking the Intersections of Geological, Historical, and Cultural Influences of Mānoa Campus

Spring 2023

**Wednesday, April 26**  
**11:30 am–12:45 pm**  
**Campus Walk**

Please join us for a campus huaka'i (fieldtrip)! We will take a short walk to explore the intertwined geological, historical, and cultural influences on the UH Mānoa campus. This huaka'i heavily borrows from previous fieldtrips developed by Drs. Kaiwipuni Lipe, Christina Higgins, Kapua Adams and Scott Rowland.

For participants who wish to join a post-fieldtrip discussion (12:45-1:30 pm), lunch will be provided.

## PRESENTERS

**Dr. Diamond Tachera**  
Affiliate Faculty, HIGP; and Maile  
Mentoring Program Co-Director,
