

PROJECT HŌKŪLANI 2026 - SUMMER CAMP

Hosted by:

The University of Hawai'i at Mānoa College of Education,
Center on Disability Studies

Discover how STEM shapes our daily lives, homes, and traditions! Dive into six STEM fields with hands-on activities inspired by Hawaiian culture, connect with professionals and college programs, and get a closer look at STEM companies and labs through exciting field trips.

Eligible For: 6th-11th graders in O'ahu (60 max.)

Cost: FREE!

When: July 13-22, 2026 / 8:30am-2:45pm (Monday to Friday)

Where: The University of Hawai'i at Mānoa

Deadline to Apply:

- April 30 - To receive early college credit (for high school students only)
- May 31 - All other applicants (no credit)
