University of Hawai'i at Mānoa
Hamilton Library

FALL 2026

Git and Github Workshop Series

Please join us for hands-on workshops on Git and Github! We recommend bringing your own device.

Questions? Contact cnomi@hawaii.edu or hejins@hawaii.edu

GIT AND VERSION CONTROL
WORKSHOP 2

This hands-on workshop walks you through the essential tools for version control and collaborative workflows. You will learn how to track project history locally using Git, share code and documentation remotely on GitHub, collaborate using branching and merging workflows, and publish a project website using GitHub Pages.

OCTOBER 7 (WEDNESDAY)
HAMILTON LIBRARY 306
1:00-2:30 PM
