A8.536 Subcontract Control

Certain Federal Acquisition Regulation (FAR), Office of Management and Budget (OMB) Circular provisions, and other agency-specific regulations must be included in any subcontract issued by the University. It is the responsibility of the Principal Investigator to ensure that such subcontracts reflect adequate instruction to the subcontractor with respect to any property furnished by the University, and that any resulting special tooling is the property of the Government. Receipts must be obtained for any government property furnished to the subcontractor. Refer to [A8.290, Requirements of Federally Funded Purchases](#) for further instruction.
