SUBJECT: Proposed Changes to RP 5.213 General Education

Regents Policy 5.213 relating to General Education is currently under review by administration. The Board of Regents will be briefed on the proposed policy revisions at the March 2024 meeting while formal consultation is underway. Please note that a redlined version of the policy *will not* be distributed to the Regents at that time.

Informal Consultation

In August of 2023, a policy briefing was provided to the All Campus Council of Faculty Senate Chairs (ACCFSC) that listed RP 5.213 as subject for review this year. The intent of the Fall briefing was to provide the faculty senates with a list of policies that would be under review during the academic year. At the October 2023 Student Success Board of Regents committee meeting, it was also noted that revisions to RP 5.213 for Board consideration would be forthcoming this academic year.

Proposed revisions to the policy were *informally* provided to the ACCFSC, including a *draft* redline version, in January of 2024. Also in January of 2024, the draft revisions were reviewed by UH Officers. On February 29, 2024 a meeting with the UH Community College general education working group was held via zoom where questions regarding the draft redlined version of the policy were discussed. Additionally, informal consultation with UH Mānoa administration had taken place.

After engaging in informal consultation, the proposed policy changes are hereby being submitted for formal consultation. Please note that **based upon conversations during the informal consultation period, especially the most recent ones with the UH Community College faculty, alterations to the redline version have already been made.** After submission of this memo and the accompanying policy document, the link on the ACCFSC policy briefing will be updated to reflect the attached policy draft.
