III. UNFINISHED BUSINESS AND GENERAL ORDERS

A. Recapping Lobby Day

1. Debrief recap

- We have to take a more active role in lobbying for what we want
- Focus on our priorities rather than focusing on what Reps see as faults in Admin
- Legislature does a good job to try and pit students vs faculty and admin to divert focus from our priorities
- All bills dealing with mental health are dead only budget alive
 - Rep Luke favouring contracting it out and telehealth (Lump Sum for UH not specific positions)
- Two bills HI promise alive HB 2250 and HB2255
 - HB2255 is open for all but legislature is favoring HB2250 the targeted one
- Very good experience/eye opening
- Having us attend and lobbying was definitely beneficial and had a good impact on legislators
- Could have better prepared to be able to counter legislators counter points
- Push the envelope

- Cross over early march or end of February
