RESIDENCY REGULATIONS (condensed)
(The residency rules and regulations may be subject to change)

DEFINITION OF HAWAI’I RESIDENCY
A student is deemed a resident of the State of Hawai’i for tuition purposes if the student (18 or older) or the student (under 18) and his/her parents or legal guardian have:

1. Demonstrated intent to permanently reside in Hawai’i (see below for evidences);
2. Been physically present in Hawai’i for the 12 consecutive months prior to the first day of instruction, and subsequent to the demonstration of intent to make Hawai’i his/her legal residency; and
3. The student, whether adult or minor, has not been claimed as a dependent for tax purposes for at least 12 consecutive months prior to the first day of instruction by his/her parents or legal guardians who are not legal residents of Hawai’i.

To demonstrate the intent to make Hawai’i your legal residency, the following evidence apply:

A. Filing Hawai’i resident personal income tax return
B. Voting/registering to vote in the State of Hawai’i
Other evidence, such as permanent employment and ownership or continuous leasing of a dwelling in Hawai’i, may apply, but no single act is sufficient to establish residency in the State of Hawai’i.

Other legal factors in making a residency determination include:

A. The 12 months of continuous residence in Hawai’i shall begin on the date upon which the first overt action (see evidences) is taken to make Hawai’i the permanent residence. Residence will be lost if it is interrupted during the 12 months immediately preceding the first day of instruction.
B. Residency in Hawai’i and residency in another place cannot be held simultaneously.
C. Presence in Hawai’i primarily to attend an institution of higher learning does not create resident status. A nonresident student enrolled for 6 credits or more during any term within the 12-month period is presumed to be in Hawai’i primarily to attend college. Such periods of enrollment cannot be applied toward the physical presence requirement.
D. The residency of unmarried students who are minors follows that of the parents or legal guardian. Marriage emancipates a minor.
E. Resident status, once acquired, will be lost by future voluntary action of the resident inconsistent with such status. However, Hawai’i residency will not be lost solely because of absence from the State while a member of the United States Armed Forces, while engaged in navigation, or while a student at any institution of learning, provided that Hawai’i is claimed and maintained as the person’s legal residence.
