

STATE OF HAWAI'I  
UNIVERSITY OF HAWAI'I AT MANOA  
OFFICE OF THE CHANCELLOR  
OFFICE OF THE VICE CHANCELLOR FOR RESEARCH  
AND GRADUATE EDUCATION  
LYON ARBORETUM

FUNCTIONAL STATEMENT

The Lyon Arboretum is under the leadership of the Director who reports to the Vice Chancellor for Research and Graduate Education. The Arboretum services to facilitate both research and instruction in the restoration of Hawaiian ecosystems, ethno botany, conservation biology, and evolution. In pursuing these activities it provides a needed resource for faculty and students from the University as a whole. Through tours, workshops and special classes, the Arboretum provides service activities for groups of student and teachers in K-12, to tourists, and to the community at large.
