

STATE OF HAWAI'I
UNIVERSITY OF HAWAI'I
KAUA'I COMMUNITY COLLEGE

FUNCTIONAL STATEMENTS

Provides two-year college transfer and general education programs, semi-professional, technical, vocational, and continuing education programs, and such other educational programs and services as are appropriate for residents of Kaua'i.

- Offers vocational/technical programs which lead to certificates and Associate in Science degrees.
- Offers a college transfer and general education program which lead to the Associate in Art degree.
- Offers training in the related areas for the apprenticeship program in the building and construction trades and other apprenticeable trades.
- Offers continuing education and training programs.
- Supports the offering of baccalaureate and graduate degrees from other UH System campuses through the University Center.

OFFICE OF THE CHANCELLOR

The Office of the Chancellor is responsible for the overall administration and management of the instructional, academic support, student services, institutional support, continuing education and training programs and the University Center of the college.

- Develops short- and long-range educational plans for the improvement and growth of the college.
- Prepares biennial budget request for operating funds and the capital improvements program.
- Develops and issues policies governing the activities of the college.
- Organizes the college's activities to define scope, relationships, responsibilities, and authority.
- Selects, promotes, trains, and develops the college personnel who staff the various units.
- Directs the college's operations by delegating, motivating, and coordinating the college's activities to bring about purposeful action toward desired objectives.
- Directs the campus-wide management computing system.
- Controls the college's activities by establishing a communication system, evaluating programs, measuring results, and taking corrective action.
- Serves as the primary liaison between and among higher administration officials, secondary schools, County and State agencies, and community agencies, including trade unions, advisory groups and community groups.
- Develops, plans and coordinates staff development activities for Kaua'i CC. Identifies College faculty and staff goals, objectives and directions to respond to those needs.

INSTRUCTIONAL SERVICES

The Office of the Vice Chancellor for Academic Affairs is responsible for the overall management of instructional and support areas of the college.

ACADEMIC MANAGEMENT

- Develops and evaluates educational services, including the preparation and development of the Academic Development Plan and the Vocational Education Plan.
- Develops policies relating to educational services and directs and coordinates the execution of such policies.
- Coordinates class schedules and reviews class enrollments.
- Participates in division meetings as well as meetings of advisory committees.
- Assists in the development of curriculum and course materials.
- Supervises, coordinates, and integrates the activities of Computer Services, Media Services, Library Services, the Learning Center, and the Cooperative Education program.

PERSONNEL MANAGEMENT

- Recommends staffing plans for all academic programs and support areas.
- Recruits and recommends selection of faculty members, APT, and clerical employees.
- Directs, coordinates, and supervises orientation for new faculty and lecturers.
- Organizes and administers in-service education and other professional development programs for all staff.
- Conducts evaluation of the performance of personnel in the instructional and academic support areas and makes recommendations for continued employment, re-appointment, or separation.
- Provides information to faculty and staff about professional development opportunities.
- Administers a staff development budget.
- Develops and oversees campus offerings which further professional and human resource development.
- Develops and implements fall and spring orientation sessions for all faculty and staff.

FINANCIAL MANAGEMENT

- Assists in the development and implementation of the instructional and academic support budget requests for both operating and capital construction requirements.

PLANNING

This function of the Vice Chancellor for Academic Affairs Office provides strategic planning so that resources are allocated to effectively meet the needs of students, faculty, and community.

- Assists the Chancellor in developing short- and long-range plans for the improvement and growth of the college.
- Provides a link to the Accrediting Commission for Community and Junior Colleges through the service of the Accreditation Liaison Officer.

- Coordinates and supervises the Accreditation Self-Study.
- Supervises development of the campus Academic Development Plan and program and budget reviews.

COORDINATION

- Establishes and maintains liaison with higher administration officials, secondary schools, County and State agencies, and community agencies, including trade unions, advisory groups, and community groups.

INSTRUCTION (Divisions)

Language, Arts and Humanities; Mathematics/Science/Social Science; Trade and Technology; Health Education; and Business Education

The purpose of the instructional divisions is to group disciplines to facilitate coordination and supervision of instructors and activities. The divisions function to maintain administrative practices that meet the objectives of the college. Each division is served by a division chairperson who assists the Office of the Vice Chancellor for Academic Affairs in the following functions:

- Participates in personnel matters relating to teaching assignments, recruiting, continued employment, re-appointment, or separation.
- Prepares educational plans, including program reviews.
- Assists in the development of courses, schedules, and catalog materials.
- Assists faculty members to better serve students.
- Assists in the development of the biennial budget for both operating and capital improvements requirements.

UNIVERSITY CENTER AND ACADEMIC SUPPORT

The Office of the University Center and Academic Support provides non-instructional assistance to faculty and students. These services include: computer support; media, library, and learning assistance services; and cooperative education. In addition, this office manages and staffs the University of Hawai'i Center, Kaua'i which provides access to programs offered elsewhere in the University system.

COMPUTER SERVICES

- Provides services to support on-campus, off-campus, and cable TV offerings provided by the college as well as those HITS courses received by the college and those programs provided by other institutions and negotiated by the college.
- Provides user services to the community.

LEARNING CENTER

- Provides a variety of learning assistance services including assessment of learning strengths, styles, and problems; individualized text and computer-assisted instruction; tutorial assistance and collaborative learning activities; learning skills instruction; and individualized and small-group instruction on word processing software.
- Offers workshops for students in various success-building skills.

COOPERATIVE EDUCATION

- Offers students' opportunities to explore or test out various off-campus work experience in industry and business so that individual potential and career grounding can be developed.
- Supervises and evaluates student performance and progress on the job in cooperation with each student's employer.
- Locates jobs, places students, evaluates students, and approves the experience as acceptable for college credit.

INSTRUCTIONAL TECHNOLOGY

- Researches, recommends and deploys instructional hardware and/or software for Kaua'i CC.
- Provides consultation and training to faculty and students in the development and/or use of instructional technology.

UNIVERSITY OF HAWAII CENTER, KAUA'I

- Directs and coordinates instructional, research and/or public service activities to enable students living on the island of Kaua'i to enroll in courses and credential programs offered by one or more of the University of Hawai'i's accredited programs.
- Determines community educational needs, develops course schedules, and coordinates registration, counseling, financial aid, library, computer and support services.

STUDENT SERVICES

The function of the Office of the Vice Chancellor for Student Affairs is to provide the necessary services related to the needs of students which are not directly instructional. The office plans, coordinates, and supervises student recruitment, testing, guidance, and placement. The office is also responsible for student governance, graduation, and student activities.

- Provides all services related to student records.
- Assists students at the college to adjust and solve problems.
- Coordinates all financial assistance to students.
- Maintains a program of counseling and guidance so that students will receive the maximum benefit from their college experience.
- Provides services to special groups of students such as the disadvantaged, handicapped, veterans, immigrants, and others in need of special help.

ADMISSIONS OFFICE

The function of this office is to keep all records on every student who applies to the college, enrolls, and leaves the college.

- Supervises all activities relating to the admission of all students to the college.
- Coordinates all student information within the University Student Information System.
- Registers all students who have been accepted for admission to the college.
- Prepares and disseminates information to all prospective students.
- Assures all grades which have been issued by instructors are properly recorded and that all students are so notified of their grades.

COUNSELING AND TESTING

The function of this office is to assist students in their educational experiences at the college using individual and group counseling, advising, directing and disseminating information.

- Assists students in adjusting to college requirements.
- Provides counseling and testing services to assist students in their career goals.
- Coordinates services of other agencies to assist students in attaining their goals.

STUDENT ACTIVITIES

- Coordinates club and athletic activities.
- Assists in the development of activities for student participation.
- Assists the Associated Students of Kaua'i Community College in the conduct of their activities.
- Disseminates information to the college community regarding guest speakers, and other student activities such as the May Day program, picnics and special entertainment.

FINANCIAL AID

This office is directly responsible for the student financial aid function of the college ensuring compliance with federal regulations.

- Supervises and manages the delivery of financial aid services to students seeking such

assistance.

- Maintains accurate records of financial aid transactions.
- Reviews and disseminates information to prospective students while complying with federal and State statutes.

ADMINISTRATIVE SERVICES

The Office of the Vice Chancellor for Administrative Affairs is responsible for supervision of budget preparation and control, financial management, administration of non-academic personnel, planning and management of facilities, and auxiliary services.

- Prepares the college's operating and capital improvements budget and administers the approved budget, including the maintenance of position control.
- Supervises the Business Office on the purchasing of necessary supplies, equipment, and services.
- Coordinates all personnel matters with the University's Office of Human Resources for the faculty and staff of the college.
- Supervises the repair, maintenance, and the cleaning of the college's facilities and grounds.
- Provides administrative support for the food service, parking, mail, telephone, and transportation activities.
